

Family Involvement Activity Journal

Name of Student: ~~XXXXXXXXXXXXXXXXXXXX~~

Type of Activity: Winter Break Trip Date of Activity: 12-25-19 to 1-9-20

Family member participants: Me, mom, brother, sister

Reflection: Write a brief description of the activity, why you and your family chose to participate in this activity, what you and your family most enjoyed about it, would you and your family participate in it again, etc. You may continue on the back if you need additional space.

This winter break, my mom, siblings and I flew to Arizona to visit our family. For two days, we stayed in Flagstaff with my mom's best friend's children and played in the snow, and the rest of the trip, we stayed in Phoenix with my grandparents. What we most enjoyed about this was seeing snow for the first time and seeing our cousins for the first time in years. We would defiantly participate in this again, and plan to do so.
