2023-2024 School Slogan

Herbert A. Ammons Sr.

Herbert Alphonso Ammons Sr. was an African American who lived during a period of racial discrimination. During his adolescence and part of adulthood, schools were segregated. Despite this adversity, Herbert A. Ammons Sr. was the recipient of many awards due to his involvement and service in the community.

Herbert Ammons was involved in the improvement of his community, especially politically, by working with the National Association for the Advancement of Colored People (NAACP). When he moved to Richmond Heights in Miami, Florida, he became involved in urging African Americans to register to vote. He was instrumental in the development of a political voice for black Americans.

Ammons also aided in organizing the first Boy Scout troop in his Mississippi community. For this endeavor, he was awarded the "Silver Beaver Award". He also worked to provide public education for children. In 1952, he became the principal of Tunica Vocational High School, in Tunica, Mississippi. When he moved to Richmond Heights in 1959, he taught at Mays Sr. High. Then, much later in 1980, he taught at Homestead Sr. High. He not only taught in public education, but he also taught the young in Sunday school. He was presented with the "Citizen of the Year Award" for being the driving force in obtaining paved streets and streetlights in his Richmond Heights community. Thus, his involvement in community service was manifested in various ways.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Academic Programs – Student Progression Plan (SPP), School Board Policy 5410

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Agenda

The Ammons Middle School agenda is your helpful organizer. This book **MUST** be carried with you throughout the school day to each class. All daily class and home learning assignments, as well as projects, should be recorded in the agenda. Notes from teachers to parents and vice versa can also be communicated through the agenda book. List phone numbers of a “Study Buddy” by period. In the event of an absence from class, the student may call their “Study Buddy” to ask for missed assignments.

Attendance

Florida Law (**Section 1003.21, Florida Statutes**) states that children of compulsory school age must attend school regularly during the entire school term. As such, Miami-Dade County Public Schools (M-DCPS) maintains an affirmative obligation to ensure that the compulsory attendance laws are enforced. Attendance is critical to the academic success of students. By attending school and class every day, students are more likely to keep up with the daily lessons and assignments and achieve academic success starting in kindergarten and continuing through high school. The Miami-Dade County Public Schools (M-DCPS) District has a vision whereby each student engages in a rigorous course of study in preparation for a myriad of successful post-secondary options.

The following are reasonable excuses for time missed at school:

- Student illness / death in the immediate family
- Medical appointment with note from health care provider
- Observance of a religious holiday
- School sponsored activity approved by administration

Unexcused absences include absences due to:

- Vacations, personal reasons, local non-school event or sporting activity
- Older students providing day care services for siblings
- Illness of others

Absences not included in excused absences listed above shall be unexcused. Any student who has been absent from school will be marked unexcused absent until s/he submits the required documentation. The parent can send an email to 6001attendance@dadeschools.net or the student can bring a parent note to the main office for the absence on the day following the absence/s. **The note must include: student name, ID number, date and reason for absence, parent signature, phone number, and any additional documentation required.** Failure to provide required documentation within three (3) school days upon the return to school will result in an unexcused absence. Unexcused absences do not require that the teacher provide make-up work for the student.

Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads. Possession of a cellular telephone is not a violation of the Code of Student Conduct (COSC). However, the possession of a cellular telephone which disrupts the educational process; the use of the cellular telephone during school hours; and the possession or use of a cellular telephone which disrupts or interferes with the safety-to-life issue for students being transported on a MDCPS school bus, would be a violation of the COSC.

Therefore, students may not make or receive phone calls and/or text messages during the school day. Should an emergency occur where a parent wishes to speak to their child, an administrator must be contacted.

Bullying Prevention

Miami-Dade County Public Schools is committed to providing a safe learning environment for all students and therefore all allegations of bullying/harassment are taken seriously. When concerned about bullying or harassment behaviors, contact your child's teacher immediately. You can verbally report your concerns and/or fill out the Bullying and Harassment Reporting Form. If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:00 p.m., Monday through Friday. Students and parents may also report bullying through our Districts anonymous online bullying reporting system available on the student and parent portals. Additional information regarding bullying and harassment can be found on the Student Services website.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community. A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life. The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadeschoolgtols.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Safety and Security

- ***Emergency Operations Plan***

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been provided the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- ***Fire Drills (Evacuation Drills)***

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Lockdown Procedures***

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an "All Clear" announcement.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessments. Schools must establish a Threat Assessment Team comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat assessments and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff. At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport approximately 35,000 students a day this school year, using a fleet of 999 buses on 800 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

The M-DCPS Parent Academy

Miami-Dade County Public Schools created the Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information on topics that impact children's lives, including helping children learn, parenting skills, financial management, and health and wellness.

The M-DCPS Parent Academy supports parents in becoming more involved in their children's education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, neighborhood centers, and community agencies across the county.

Parents can participate in virtual and in-person sessions that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on the M-DCPS Parent Academy website at parentacademymiami.com. For additional information, please call the M-DCPS Parent Academy at 305-271-8257 and follow them on Facebook and Instagram "Parent Academy Miami" and on Twitter "@ParentAcadMiami".
